Welcome to the second session of the 2010 club championships. We hope you enjoy the afternoon and swim well!

All events are heat declared winner – there are no separate finals. Ages are as at the end of this year – 31 December 2010.

Please make sure you sign in at the tables near the entrance to the changing rooms for every event you want to swim in. These sheets will be taken away 20 minutes before the start of the session so that we can put swimmers in the right heats. If you don't sign in, you will be assumed to have withdrawn. But if your name is not down, you can still swim – add it to the list and sign.

If there is no seed time listed for a swimmer this is because we have no record of their best time for the event. If you do have a time, please let us know as soon as possible. Otherwise you will probably be in one of the first heats.

Please don't swap lanes or heats with other swimmers. You may be disqualified and you may affect the results for other swimmers.

Many thanks to all the officials and helpers without whom this event could not take place.

Results will be on the website and awards from the club championships will be made at the club presentation evening later this year.
